About Us

ARH Medical and General Supplies is a strategic sourcing and procurement business which holds TRUST, INTEGRITY and TRANSPARENCY as its core values.

ARH Medical and General Supplies prides itself on its professional and sincere relationship building strategy that is based on an “Entrepreneur By Nature – Humanitarian By Choice” philosophy, which sustainably places “People Ahead Of Profits”.

Shaheen Hoosen, MD
BCom (UKZN)
International
Academy of
Leadership (FNSt)
Alumnus

Shaheen has extensive work experience in both the corporate and non-profit arenas, having served as the development head of a specialist chamber of commerce for the last eight years, Shaheen has chosen to return to the corporate world to do some more good through his own entrepreneurship.

The Everyday South African Philosophy

As a proud member of Everyday South African, ARH Medical and General Supplies supports South African Farmers, Producers, Manufacturers and Businesses in bringing value for money products and services to its customers.

All products that carry the Everyday South African logo which is a mark that guarantees the product was manufactured by a South African Business whose employees are majority South African.

In this manner ARH Medical and General Supplies intends to contribute to sustainable job creation, local economic development and the promotion of dignity through work.
